The **THIRTY-FIRST ANNUAL REPORT**
OF THE
BOARD OF MANAGEMENT
OF THE
KETTERING AND DISTRICT GENERAL HOSPITAL.

The Board of Management have pleasure in submitting to the Governors the 31st Annual Report and Abstract of Accounts for the year ended the 31st December, 1928.

In presenting this Report, it is the Board's desire to bring before the general public a record of the work of the Hospital in the hope that the interest in the many branches of curative and remedial work done in the Institution may be further extended. One cannot appreciate fully the character of the services rendered without seeing personally the many departments in which the various treatments are carried out, and the Board cordially invite any person or persons interested to pay a visit of inspection. This may be arranged by communicating with the Secretary-Superintendent.

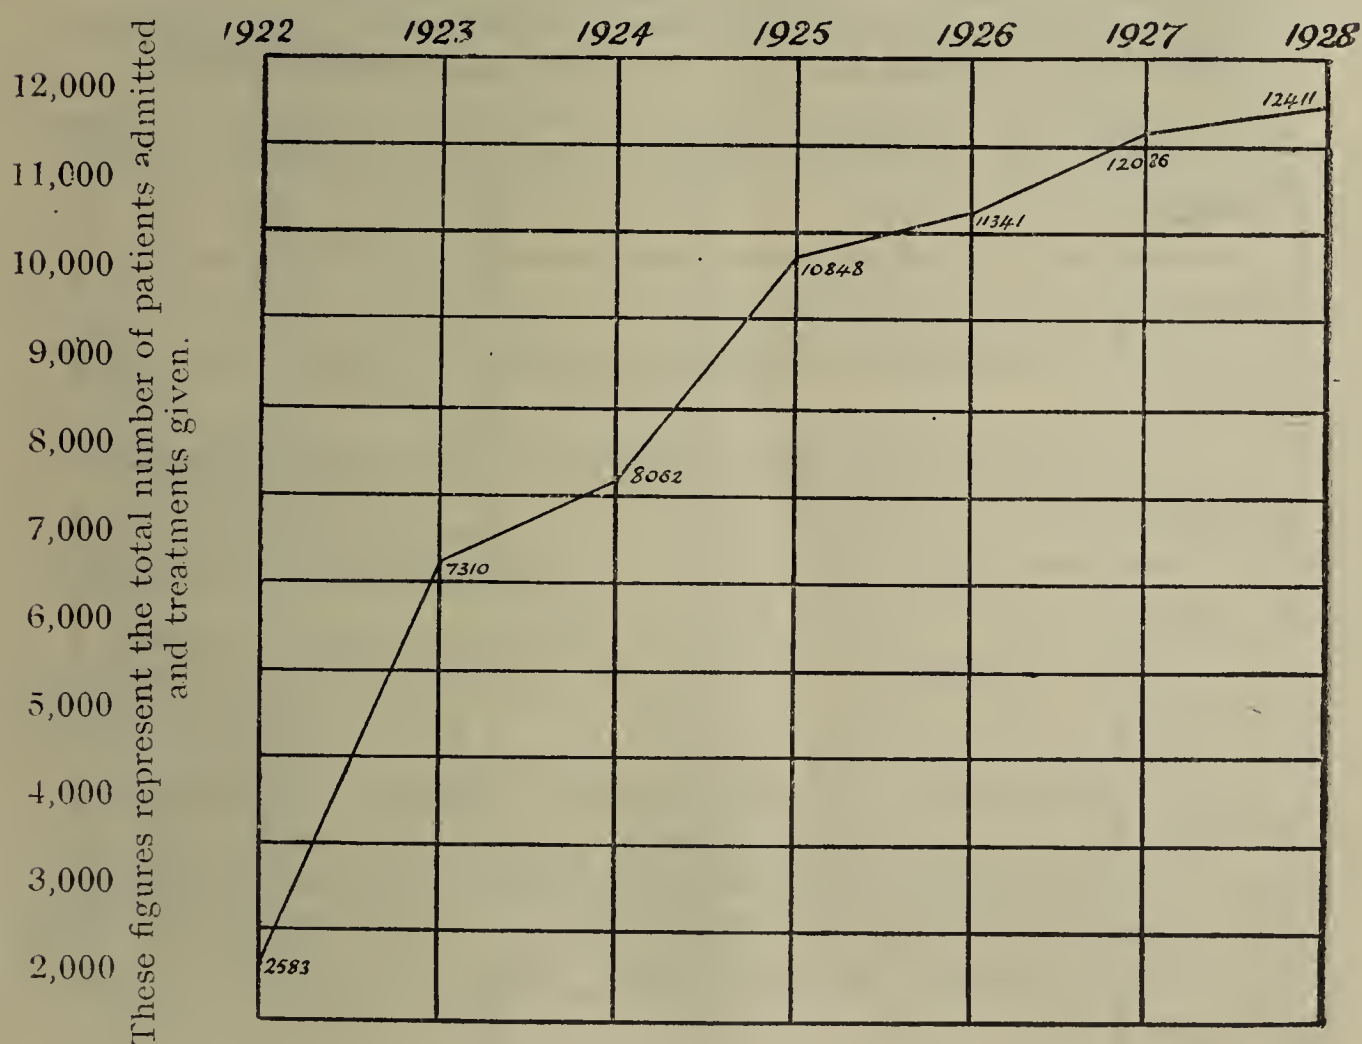

THE YEAR'S WORK. During the past year, numerous letters from patients show that the work of the Hospital has met with the utmost appreciation. The Beds in the General and Private Wards have been regularly occupied, and at times the accommodation available has been taxed to its utmost capacity, showing in a remarkable degree the growing popularity of Hospital treatment generally. The number of patients admitted was 1,155, making with those remaining in the Institution on the 31st December, 1928, a total of 1,218.

The number of cases receiving assistance in the Surgical Aid Department was 12, whilst 842 Eye Cases were treated. In the X-Ray Department 714 patients were attended to, and in all 2,397 Radiographs were taken and 109 treatments given. The number of Artificial Sunlight Exposures was 1,144 and in the Massage Department 181 patients attended for 4,391 treatments. Under the new arrangements for Ear, Nose and Throat Cases, 50 cases were examined and received treatment.

It will be seen, therefore, from the above figures and the following table, that the volume of work has again exceeded that of any previous year, which continues to prove that the Hospital still gains the confidence of the public which it endeavours to serve so well.

**GRAPH SHOWING THE RISE IN THE VOLUME OF WORK
DONE OVER A PERIOD OF 6 YEARS.**

INCOME & EXPENDITURE. The Board are pleased to record an increase over last year in Ordinary Income, the total income now reaching £12,586 11s. 0d.—easily the highest on record. On the other side a slight increase in total Expenditure will be noticed, this being almost entirely due to the running of the Maternity Ward.

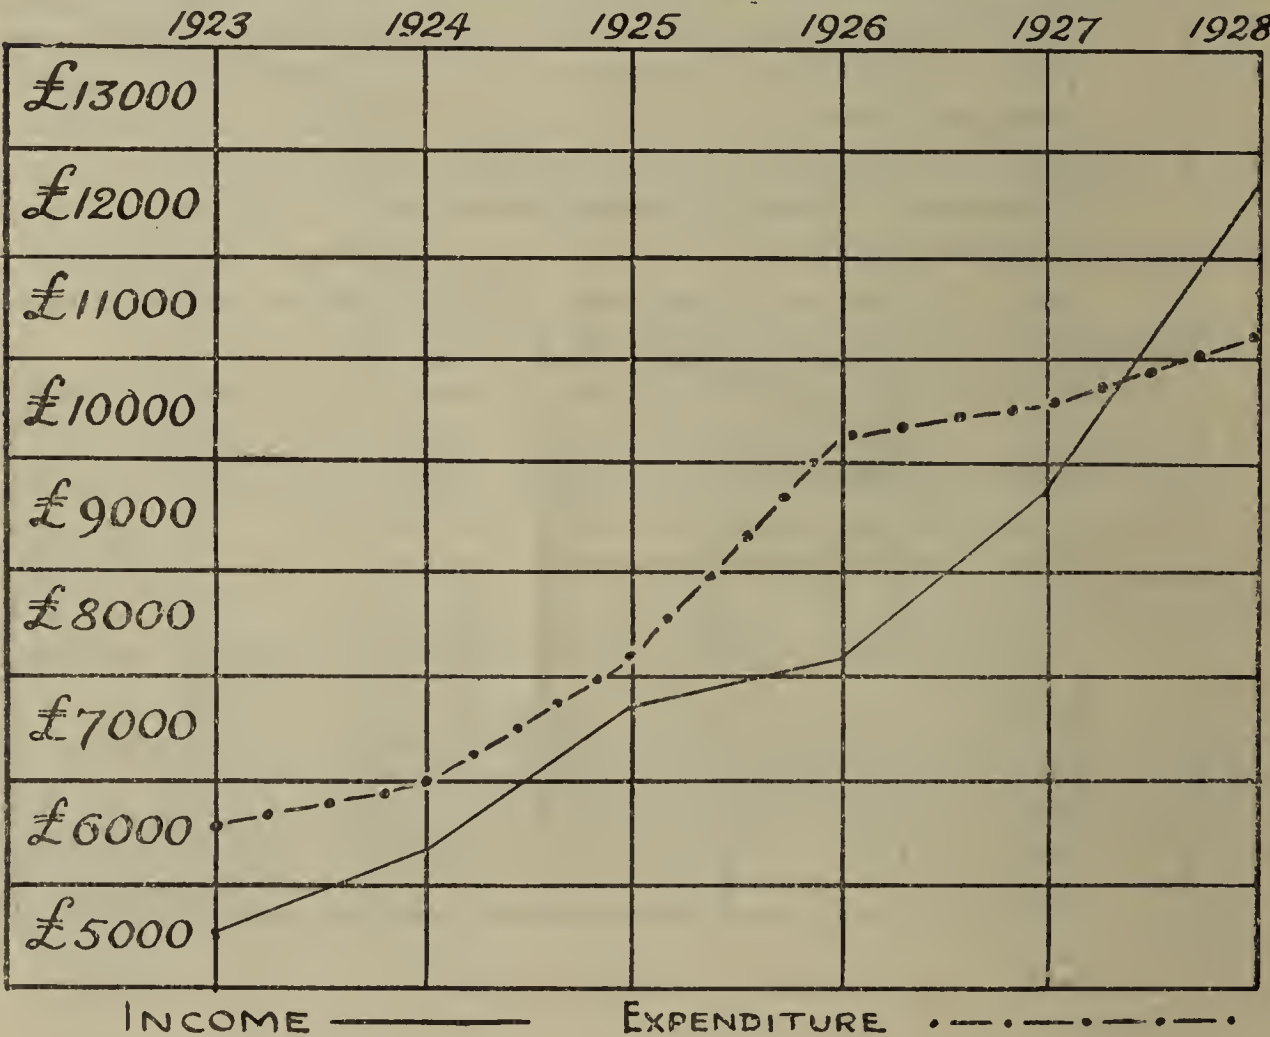

On reference to page 14 it will be seen that the average cost per bed occupied works out at £3 0s. 4½d., per week, and the average cost per In-patient at £7 17s. 7½d. These figures compare favourably with those of other Hospitals, and prove that every care is exercised in spending the funds of the Institution.

It is most pleasing to report an excess of ordinary Income over Expenditure of £1,434 0s. 10d. This balance has been transferred to the Repairs' Fund and reduces the total deficit on all accounts to £3,123 7s. 6d.

The following figures show the Income and Expenditure on the Maintenance Account for the past six years :—

	1923	1924	1925	1926	1927	1928
Income	£5681	£6441	£7933	£8191	£9696	£12586
Expenditure	£6506	£6928	£8048	£10468	£10497	£11152

GRAPHIC COMPARISON OF THE ABOVE FIGURES.

HOSPITAL GUILD. The "Hospital Guild" as foreshadowed in last year's Report is now an integral part of the Financial Scheme.

Its formation a year ago was most enthusiastically received and it has grown beyond the most sanguine hopes of its promoters. Not only has it flourished in Kettering, but in the surrounding towns and villages many members have been enrolled. It now includes practically every worker in the town, and many in the area; and the enrolment of the few remaining is only a matter of time and organisation.

Its membership stands approximately at 20,000 and its income reached the magnificent total of £5,057. This represents a much bigger thing than a cash value—although this is important—it represents a wealth of goodwill and loyalty and gives every member a real interest in the Institution. The Board greatly appreciate the inspiration of such practical help and go forward confidently in their endeavour to make the services of the Hospital worthy of the trust imposed.

It is a pleasure also to record that the exception made in the case of the treatment of school children is now removed. In March, 1929, it was unanimously resolved to amend the scheme, and the arrangement is now that every treatment for Guild members, their dependants and children, is now entirely free. At the same time it is hoped that the Local Education Authority will arrange some form of contribution in return for the services which are given to children recommended by their Medical Officer. This amendment will cost the Board about £250 per year, but whatever the issue on this detail may be, no charge in any form will be made to Guild members.

The organisation of the Guild has meant much thought and labour, and special thanks are due to the following subsidiary committees and their executive officers:—

The Factories and Workshops' Collection Committee.

The Kettering Traders and Shop Assistants' Hospital Fund.

The Burton Latimer Hospital Committee, and the numerous organisers of District Centres.

Arrangements are almost completed, and a scheme of contribution to cover the cost of maintenance in Private Wards will shortly be launched.

HOSPITAL WEEK COMMITTEE. The Board wish to place on record their appreciation of the work of the Hospital Week Committee and their many willing and enthusiastic helpers, who again worked so energetically that the funds of the Hospital benefited to the extent of £950. In connection with this effort, the

“Gag-pie,” a burlesque newspaper, was published by the kind permission of the Directors of the “Kettering Evening Telegraph” and produced entirely free from cost by the staffs of the editorial and printing departments of that newspaper. In connection with this special thanks are due to the Honorary Editor (Mr. S. Redwood), whose untiring efforts ensured the success of this venture, and also to Mr. H. T. Guest, who very kindly collected all the matter for advertisements which proved so profitable.

The “Flower Day” organised by Miss N. Timpson was also a great success and we are very grateful to Miss Timpson and her band of workers for this help.

HOSPITAL GARDEN FETE COMMITTEE. The Board are again indebted to the Hospital Garden Fete Committee and stall organisers, who were able as a result of their annual effort to hand over the sum of £280, and especially to the members of the Kettering Board of Guardians and Rural District Council for their help in connection with this Fete. The Balance Sheet and details of the amounts raised by the various stalls appears on page 48.

SMALL HOUSEHOLD BOXES. Great credit is due to Mrs. H. T. Guest and Miss Joyce Everard, the Joint Secretaries of the Small Household Box Committee, and it is chiefly due to their efforts and the loyal support of their committee members and numerous collectors, that the splendid sum of £331 17s. 9d. was realised. This is an increase of £12 9s. 2d. over the amount collected during 1927 and is most satisfactory and encouraging.

ANNUAL SUBSCRIPTIONS. The increased income from Subscribers this year, whilst very gratifying, is not yet up to our expectation, and it is confidently hoped that a still further improvement will be shown next year.

The Board appeal for further support in this direction, and they intend to follow up their appeal by a personal canvas during the next three months.

KETTERING & DISTRICT LINEN LEAGUE. A copy of the accounts will be found in this Report. The members of the League, and the Honorary Officers are to be heartily congratulated upon the splendid results achieved.

MISCELLANEOUS EFFORTS. To the following committees, who by their efforts were able to hand over substantial amounts to the Hospital, thanks are also due :—

The Monster Whist Drive Committee, coupled with the names of Mr. J. Wardiell (Chairman), Mr. R. L. Osborn (Hon. Treasurer), and Mr. F. Underwood (Hon. Secretary).

Kettering Alexandra Rose Day Committee.

Kettering Amateur Operatic Society.

Kettering Amateur Billiards Championship Committee.

Desborough Nursing Association and Hospital Fund Committee.

Thrapston Hospital Week Committee.

Rothwell Hospital Fete Committee.

Northants County Police Sports Committee.

Little Harrowden Hospital Fund Committee.

Dot's Selections Syndicate (per Mr. Jack Cross).

BOARD OF MANAGEMENT. The Board desire to place on record their appreciation of the services of the Honorary Treasurer, Mr. H. T. Berry. His efforts on behalf of the Hospital are untiring, and no task is too great for him to undertake to further the work of the Institution.

The members of the Board have been keenly interested in the work of the Hospital throughout the year, as shown by their attendances at the fortnightly meetings.

FINANCE COMMITTEE. The Finance Committee are pleased to report that the Hospital has been able to finish the year with a substantial surplus of £1,434 0s. 10d. on the Maintenance Account, which they have used to reduce the deficit of £4,557 8s. 4d. from previous years. This has been made possible, partly by the practising of economy in every detail of expenditure, where possible, and also by the splendid result of the efforts of the members of the Guild.

The Committee desire to place on record the valuable service which Mr. John W. Smith, their Chairman, has rendered to the Hospital in launching and developing the Guild Scheme in his usual enthusiastic and energetic manner. They feel most grateful to him for all he has done. It is mainly through his efforts that the Hospital finances, as regards income and expenditure, are now on a sound basis, which enables them to face the future with confidence. The meetings have been well attended, and the members of this Committee have shown great interest and zeal in their work for the Hospital during the past year.

BUILDINGS' COMMITTEE. The Buildings' Committee are pleased to report that in April last the New Private Block of four single wards was completed and opened for the admission of patients, since when all the beds have been regularly occupied. Further repairs and minor alterations have been carried out, and the whole of the buildings are now in a most excellent state of repair.

NURSING COMMITTEE. The Nursing Committee desire to congratulate the Nurses on the splendid results obtained by them in the Preliminary and Final Examinations for State Registration, conducted by the General Nursing Council for England and Wales. The results are as follows :— Seven entered for Preliminary Examination—4 passed, 2 failed (one in two points only).

Four entered for Final Examination—all passed.

Since July, 1925, when the Institution was recognised by the General Nursing Council as an Associated Training School for Nurses, the following results have been obtained :—

17 entered for Preliminary Examination—14 passed, 3 failed.

10 entered for Final Examination—all passed.

Great credit is due to the Matron, Assistant Matron (who is also the Tutor Sister), and Honorary Medical Officers responsible for the training of the Nurses, for these the high percentages of passes (100 per cent. in the Final Examinations and 82.35 per cent. in the Preliminary Examinations) in these important examinations. The results obtained prove conclusively that the standard of efficiency of the Institution is most satisfactory.

The training of the Nurses, however, is carried out under difficult conditions, as the Assistant Matron has no lecture-demonstration room where the Nurses may practice, and there is a very pressing need for a class-room furnished with suitable models, etc., to provide the necessary means of practical demonstration and practice by the individual Nurse.

The provision of means of recreation for the Nursing Staff is a matter of concern. Wireless and music are provided, but the question of physical exercise and games is still in abeyance. A hard tennis court is sorely needed. The ground is available but funds are lacking, and it is hoped that the year 1929 will see the promotion of a scheme by which this already overdue project is completed. The Board appeal for help for this particular purpose.

HONORARY MEDICAL, RESIDENT MEDICAL & NURSING STAFFS. During the early part of the year the Institution suffered a very great loss through the retirement of Dr. Harries-Jones, who for over 20 years held the appointment of Honorary Ophthalmic Surgeon. As a mark of appreciation for his services during this period, the Governors, at the last Annual Meeting, unanimously appointed him Honorary Consultant Ophthalmic Surgeon, and appointed in his stead Dr. S. H. G. Humfrey.

The activities of the Hospital have been further extended by the appointment to the Honorary Staff of Dr. N. E. Kendall, who was elected Honorary Ear, Nose and Throat Surgeon.

The work of the Honorary Staff becomes more onerous every year, and the thanks, not only of the Board, but of the public of Kettering and district, are due to them for the valuable services they render to the Hospital.

The Resident Medical Officer, Matron and Nursing Staff are to be congratulated upon the painstaking manner in which they have carried out their duties, and which has brought forth much praise from many patients.

GENERAL THANKS. Thanks are accorded to the many Clubs and Committees in the town and district who join in supplying a number of daily papers and periodicals for use in the Wards ; to Messrs. Palmer & Sons for keeping the Hospital pianos in repair ; to Mr. Paul Taylor for free service in connection with the wireless installation ; to the Ministers of Religion ; the Honorary Auditors ; the Local Press for publicity ; and to those who have so kindly given presents, provided entertainments for the patients, or who in any other way have supported the Hospital during the year.

On behalf of the Board of Management,

FREDK. J. TEBBUTT, *Chairman.*

H. J. LANCASTER, *Secretary-Superintendent.*

Kettering & District Linen League.

President : Miss C. STEELE.

Vice-Presidents :

Mrs. BURNHAM, Mrs. OLIVE, Mrs. J. P. ROUGHTON and Mrs. GRANT THOROLD.

Committee :

Mrs. Symonds, Mrs. C. Saunders, Mrs. Berry, Mrs. W. Wallis, Mrs. C. Lamb, Mrs. J. Bond, Mrs. King, Mrs. T. Spencer, Mrs. D. D. Lee, Mrs. Allison, Mrs. E. Everard and Mrs. T. N. Bird.

Hon. Secretary : Mrs. W. J. PAYNE.

Hon. Treasurer : Mrs. TOLPUTT.

The Committee have pleasure in presenting the Report for the year ending March 31st, 1928.

There is, unfortunately, a slight decrease in the subscriptions for the year, which is very regrettable as the expenses and requirements of the Hospital have increased immensely. It is hoped that our subscriptions will, in the future, be increased to meet the Hospital's need.

Thanks to the kindness of a few members of the Committee, a Bridge Drive was organised early in February, which resulted in a gain of £17 3s. 10d. The ladies, who worked very hard, deserve our best thanks, for the very great help to the funds of the Linen League.

ELIZABETH PAYNE, Hon. Sec.

Appreciations.

LETTERS FROM GRATEFUL PATIENTS.

"I am writing you a few lines to thank the Staff for their kindness and attention to me whilst I was a patient in the Hospital. I can assure you that I very much appreciate what was done for me. I have been a contributor to the Hospital for 30 years and I am only sorry I am not able to do more because I have seen something of the work that is being done for the suffering. From the Matron to the Kitchen-maid I cannot speak too highly of their work. I have enclosed £4 as a slight recognition of my appreciation and am only sorry I am not able to do more this time."

_____ (Kettering).

"I have pleasure in enclosing £3 as a contribution for what the Massage Department did for my son, and which I appreciate most fully."

"Will you please accept the enclosed donation of £12 with my grateful thanks for kindness shown to me."

CHARITY.

Charity is a universal duty which it is in everyone's power sometimes to practise ; since every degree of assistance given to another, upon proper motives, is an act of charity. He that can give little assistance himself, may yet perform the duty of charity, by inflaming the ardour of others, and recommending the petitions which he cannot grant, to those who have more to bestow.

The widow who shall give her mite to the Treasury, the poor man who shall bring the thirsty a cup of cold water, shall not lose their reward.
